

Steve Jobs スタンフォード大学の卒業式でのスピーチ

You can't connect the dots looking forward; you can only connect them looking backwards. So you have to trust that the dots will somehow connect in your future.

You have to trust in something — your gut, destiny, life, karma, whatever. Because believing that the dots will connect down the road will give you the confidence to follow your heart, even when it leads you off the well-worn path, that will make all the difference.

And remember too. Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma — which is living with the results of other people's thinking.

Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become.

Stay Hungry. Stay Foolish. I always wish that for myself. And now, I wish that for you.

Stay Hungry. Stay Foolish. Thank you all very much.
